| 5.          | <b>Finance Report:</b><br>The bank balance is £9,293.95 being TCC General Funds £926.54, Festive Lights £108.45, TORCH £8,260.96. General funds benefitted from Carols Around the Christmas Tree donations of £240.18, which are much appreciated.  | ED    |
| 6.          | Planning Report:The following applications await decision.APP/2025/0048 – Extension at Pitmedden FarmhouseAPP/2024/1698 and 1699 – Extension at Craigmyle West Lodge – an updated designand heritage statement has been submittedAPP/2024/2011 – Hilltop House, new passive house – Comments have been submitted  | ED    |
| 7.          | <ul> <li>New and Focus Items:</li> <li>Local Place Plan (LPP):<br/>The full draft document has been finalised and work is progressing to initiate the public consultation.</li> </ul>   | PA    |
|             | <ul> <li>Winter Road Treatment and Gritting:         ED expressed his concern that road and pavement treatment had been inadequate during the severe cold weather spell in January. Days passed before certain areas were treated, and when treatment did occur the grit and salt applied was inadequate. There are 12 grit bins in the village yet only 3 are recorded on the Council website, and many of the bins are empty. Specifically the bin at the junction of Grampian Terrace and Innermarkie Wynd is not recorded and is empty. Despite repeated requests for the bin to be filled it remains empty.         Cllr SB advised she had been made aware of an equipment failure when the pavement gritter was not dispensing adequate material, however we believe the machine was also travelling too fast to properly apply the material.         Cllr SB undertook to follow up about the mapping of the grit bins and the filling of the empty bins, including specifically on Grampian Terrace.     </li> </ul> | ED    |
|             | • Water Main Bursts on Craigour Road:<br>This matter is already the subject of correspondence from TCC to Scottish Water,<br>although no satisfactory response has been received to date. Due to the latest<br>burst this last week WM raised the matter again, since it is clear the repetitive<br>ongoing disruption of frequent failures here is not acceptable. IF will be contacting<br>Scottish Water again and Cllr SB undertook to contact Scottish Water expressing<br>our concern and for further information towards a resolution.   | WM    |
|             | • Request from Torphins Patient Participation Group:<br>TCC has received a request from TPPG to assist with a work party of volunteers to<br>tidy the grounds at Torphins Medical Centre, which are not being well maintained<br>by Grampian Health Board. It is understood a similar request has also been<br>submitted to Torphins Paths Group, who have tools and equipment.<br>Discussion of the matter asked whether TPPG members would participate, and<br>whether a call should go out to the wider community for assistance. It was decided<br>Secretary should advise TPPG that TCC is willing to assist and to follow up regarding<br>wider publicity.  | WM    |

|             | <ul> <li>SS is working to have more AEDs installed in the village, identifying the park<br/>pavilion, the old telephone box at Sundayswells, and the Learney Hall as potential<br/>locations. During her visit PJ was supportive and ClIr SB provided details of the<br/>Aberdeenshire Council support for installation of AEDs on Council buildings. SS will<br/>continue the initiative. It was suggested he contact First Responders as well.</li> </ul>   | SS            |
|             | <ul> <li>SS again expressed his disgust at Aberdeenshire Council Roads approving the long<br/>extended road closure and traffic lights at the Cala site on Raemoir Road. All TCC<br/>agrees that the work on the road should have been prioritised to minimise<br/>disruption and not taken second place to building homes even before completion<br/>of the roads. Roads please take note and force completion by Cala.</li> </ul>   | SS            |
