1803	04/10/2018		Pavement area at Torphins Health Centre Ownership of pavement needed established to request repair of broken surface	TBC	02/04/2026 - No further progress 05/03/2026 - Cllr SB followed up with officers to request an update. I understand that they are still working on finding a conclusive way to proceed due to the complexities surrounding the land ownership information, which has not simplified the situation. I sought clarification regarding the grant funding and was informed that the council has an allocation for the Active Travel Infrastructure Fund (Tier 1) for the financial year 2026/2027. If the land access issue can be resolved, the project can move forward. TCC is very curious what the issue is since we thought complexity resolved by discovery site is owned by Scottish Ministers 05/02/2026 - The Council is reviewing the updated title plan to verify. 1912	07/11/2019		Park Drainage The planned work at the eastern end of the park has not been addressed and during recent wet weather there has been flooding at the south east corner on the old railway line core path	ED	02/04/2026 - Meeting with Officers in park identified problem areas supported by our videos. Ken Regan to will contact Roads Team to confirm if the Grampian Terrace road drains are connected to a park soakaway or the public drainage system, also if drains at west end can be routed to public drainage system. 05/03/2026 - Confirmed Landscape Services have recorded the incident and offered to attend a site meeting. Adrian Mitchell advised the football club do a pitch inspection on Monday morning and often have to call off evening training due to wet condition. Furthermore the Club pays the Council to cut the grass but they rarely do. Agreed Secretary to arrange site meeting with Landscape Services. Also Adrian advised the flood lights are inadequate and need replaced with LED but Council has not done this surprisingly given drive to convert to LED. ED will contact our	Cllr SB, ED	07/05/2026
