1803	04/10/2018		Pavement area at Torphins Health Centre Ownership of pavement needed established to request repair of broken surface	TBC	14/05/2026 - The legal team at Aberdeenshire Council have confirmed that the area of land where the works are planned is a public right of way owned by the Scottish Ministers. Project Team officers have been liaising directly with the Health Centre Manager, who are consulting with their estates team. They are currently reviewing the council's proposal to determine if they can approve the works. It is believed that this approach will lead to a quicker response than originally anticipated, as it reduces the need to wait for confirmation from the Scottish Ministers. Awaiting further information. 02/04/2026 - No further progress 05/02/2026 - Cllr SB followed up with officers	Cllr SB	04/06/2026		
1912	07/11/2019		Park Drainage The planned work at the eastern end of the park has not been addressed and during recent wet weather there has been flooding at the south east corner on the old railway line core path	ED	14/05/2026 - No new information. Contact Officer 02/04/2026 - Meeting with Officers in park identified problem areas supported by our videos. Ken Regan to will contact Roads Team to confirm if the Grampian Terrace road drains are connected to a park soakaway or the public drainage system, also if drains at west end can be routed to public drainage system. 05/03/2026 - Confirmed Landscape Services have recorded the incident and offered to attend a site meeting. Adrian Mitchell advised the football club do a pitch inspection on Monday morning and often have to call off evening training due to wet condition. Furthermore the Club pays the Council to cut the grass but they rarely do. Agreed Secretary to arrange site meeting with Landscape Services. Also Adrian advised the flood lights are inadequate and need replaced with LED but	Cllr SB, ED	04/06/2026
